Workplace Violence and Harassment

Bill 168, Interactive DVD **Maintaining A Respectful Workplace**

HR Proactive's Bill 168 DVD training program is an easy tool to help you meet your obligations to train your workers. This 15-minute DVD features a quiz after each module to ensure workers understand the issues related to the three problems addressed by Bill 168:

- violence in the workplace
- workplace harassment
- domestic violence as it affects the workplace

Bill 168 received Royal Assent on December 15, 2009. The amendments to the Occupational Health and Safety Act, came into force on June 15th, 2010.

Workplaces in Ontario where more than 5 workers are regularly employed are required to develop written policies addressing both of these issues and to review those policies at least once a year.

Employers are required to conduct training on these policies to meet their due diligence.
